

Robert Cabry, M.D.

Dr. Cabry graduated from St. Joseph's University in 1987. He received his M.D. degree from Thomas Jefferson Medical College in 1991. Dr. Cabry completed his residency at Crozer-Keystone Family Practice Program in 1999. Dr. Cabry spent six years in the U.S. Navy and was awarded two Navy Commendation Medals and the National Defense Medal. He is board certified in Family Medicine with additional qualifications in Sports Medicine.

Dr. Cabry joined the Orthopaedic Associates Division of Premier Orthopaedics in 2000 after completing a Sports Medicine fellowship in 2000. He specializes in non-operative Sports Medicine with a particular interest in treatment and prevention of concussions, exertional leg pain and osteoporosis. He is a member of the Pennsylvania Athletic Commission and Team Physician for Strath Haven High School and Williamson Trade School.

Dr. Cabry resides in New Jersey with his wife and three children.

Dr. Cabry maintains medical staff privileges at Crozer-Keystone Health System and Main Line Health System/Riddle Memorial Hospital.
