

Orthopaedic Associates (OA) is a group of highly talented and skilled physicians who are dedicated to serving the individuals in their community with the most advanced and comprehensive orthopaedic care. This team of physicians, who are board certified and/or fellowship trained, in their own area of expertise have been serving the Delaware and Chester County communities for over 40 years. We are proud to have four highly experienced veterans from the U.S. Navy now serving our communities orthopaedic needs. They are James Zurbach, MD, James McGlynn, MD, R. Bruce Lutz, MD and Robert J. Cabry, Jr., MD. In addition, OA physicians include a past chairman of the PA State Board of Medicine, and past president of the PA Orthopaedic Society.

OA physicians are diverse, in their specialty areas and are proud to offer this broad spectrum of services to their patients.
