

RE: No Show Policy

Welcome To Our Practice!

We would like to inform you of our No Show Policy upfront and to ask for your consideration regarding appointments.

If you are unable to make an appointment, we request a call at least **48 hours** prior to your appointment time so we may open the appointment slot to another patient. This improves appointment availability for both you and other patients.

We recognize that emergencies occur, and you may be unable to cancel an appointment in rare circumstances. Please be advised that our policy states that we reserve the right to discharge patients that might abuse this request.

Thank you in advance for your cooperation.

Sincerely,

The Staff
Premier Sports & Spine Rehabilitation
